SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009-2010 school year at South Florence High School was filled with success as the school, students and faculty members received numerous awards and participated in a host of educational and extra-curricular events and activities. Collaborative practices were at the heart of this year's success as South Florence High School became one of only three high schools in North and South Carolina to be named a Solar Panel Grant Recipient from Progress Energy of the Carolinas. This grant was a joint effort of teachers, students and community members coming together to achieve something meaningful.

SFHS's class of 2010 earned over \$3,294,000 in scholarship offers to include 105 Life Scholars and 10 Palmetto Fellows recipients. 2010 graduates were awarded scholarships from the following organizations: USC Navy ROTC, SC State Fair, FMU McNair Scholarship, Charleston Southern University, USC Dean's Scholarship and Clemson University Trustee Scholarship. Of the 2010 graduating class, 92% plan on attending a two or four year college. Forty-seven percent of seniors worked diligently throughout their high school careers to obtain single cord (109), double cord (35) and Board of Trustee (29) honors. All of our 2010 graduates worked hard to obtain their diplomas and we are proud to have shared in helping them to succeed.

Student recognition for the 2009-2010 school year included our 2009 Youth In Government (YIG) Premier Delegation; YIG Outstanding Trial Team; YIG Student Nominee to serve as Associate Justice for the Court of Appeals; and, Navy JROTC National Championship participants. SFHS students also excelled in athletics as they participated in junior varsity and varsity sports to include volleyball, football, cross country, swimming, tennis, basketball, cheerleading, golf, track, soccer, softball, and baseball. For the first time, SFHS was awarded the district's All Sports Trophy for having the best head-to-head record against the other FSD1 schools. One student was selected to participate in the state's all-star softball games and four Bruins signed letters of intent to play sports on the collegiate level.

SFHS's work in building professional learning communities and providing meaningful learning opportunities to all learners in the building continued. Teachers participated in professional learning communities and worked collaboratively to promote student achievement. Arts offerings increased as students took part in dance, orchestra, chorus, fine arts, band and drama courses. In partnership with Florence-Darlington Technical College, 48 juniors and seniors completed 122 dual-credit courses during this school year. Students participated in service learning opportunities to include a Math-A-Thon benefit for St. Jude's Children's Hospital, a Haiti benefit show, and Mix-it-Up Day. We continue to strive for excellence at SFHS as we look forward to next year's success.
